

CONTRACTOR KING[®]

Air-Powered Airless Sprayers

PROVEN QUALITY. LEADING TECHNOLOGY.

CONTRACTOR KING®

AIR-POWERED SPRAYER

Introducing the newest member of the King family "The Contractor King!". Designed around single-person mobility and high performance, this affordable line of air-powered sprayers is the perfect addition to every Contractor's fleet. Available in 310, 415 and 500 bar, there is a model for every job!

PROVEN KING QUALITY

Anti-icing technology

- Field-proven design virtually eliminates icing to keep you spraying
- Durable aluminum, steel and composite construction for years of service
- Delivers superior finish with limited pulsation, even with multiple guns
- Simple design for easy serviceability
- Oversized porting for maximum air flow

EASY TO MOVE AND TRANSPORT

- Nearly 38 kg lighter than comparable models for easy, one-person handling
- Chrome-plated, welded-steel frame for years of service
- Integrated lifting points for easy positioning on any jobsite
- Flat proof tires resist jobsite debris for maximum convenience

DE-ICE AIR BLEED CONTROL

- Allows air to bleed keeping the system ice-free during heavy icing conditions

EXTERNAL PILOT LINES

- Keeps air lines isolated to prevent icing

MANUAL SHUTTLE RESET BUTTON

- Allows manual restart in case of ice buildup

PATENTED

ENDURANCE LOWER FOR QUICK AND EASY "ON-THE-JOB" PUMP REMOVAL & MAINTENANCE NOTHING IS FASTER!

SIMPLE MAINTENANCE

Proven design and performance

- QuickChange™ Endurance pump, for quick and for easy on-the-job pump removal and maintenance
- Chromex™ Rod and Stainless Steel cylinder for maximum life and performance
- Fleet-friendly design uses the same wear parts as your other King sprayers

Remove The Pump in 3 Easy Steps

1

Remove rod coupling, inlet hose and paint hose

2

Loosen jam nut

3

Spin pump to remove

CONTRACTOR KING®

AIR-POWERED SPRAYER

COMFORT MEETS PERFORMANCE INTRODUCING SILVER PLUS™ HP*

OUR BRAND PROMISE TO YOU

Since 1926, **innovation**, **quality** and **A+ Service** have been at the centre of Graco.

Experience Innovation

Our focus on innovation results in products and equipment that lead the industry with technologically-advanced features, pioneering design, high performance and unparalleled reliability. In short, innovation is how you get better products!

Building Quality

You're investing in high-quality products built to last for years of reliable service. Moreover, we partner with our customers to better understand how you're deploying our products in the field, then use your experiences to improve performance and durability.

A+ service, every time

You'll see A+ Service in action when you contact any of our support services options no matter where you are in the world. We'll listen to your situation and work methodically to resolve it as quickly as we can. We are guided by a mindset of integrity and a customer service view centred on collaboration and relationships, not transactions.

We're here to answer questions and help address your needs:
